PCB

Ordered PCB Paid \$5 including shipping but won't come till Oct 20th at earliest :(

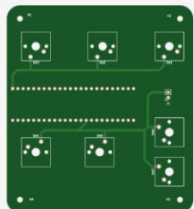

Dear JLC2swba,

All orders have been reviewed. If any item has failed the audit, you may correct your file and re-upload it, or place a new order. If there are no issues, we will proceed with preparing the production data for your orders and will arrange for production ASAP.

For order review details, please visit your order history.
